Dear Friend,

Choice Christian and New Year's Greetings!

2008 is going to be a great year! My word to you for this month is:

***“HE WHICH SOWS SPARINGLY SHALL REAP ALSO SPARINGLY; AND HE WHICH SOWS BOUNTIFULLY SHALL REAP ALSO BOUNTIFULLY” (II Cor. 9:6).***

We are happy to announce, at least according to the information that we have received, that **THE EXPOSITOR'S STUDY BIBLE** is now the best-selling Study Bible in the world of its kind. How so much we thank the Lord for that. When you consider that it's not sold in stores, but only by Television, Radio, and word of mouth, then the magnitude of what I've just stated is miraculous indeed! We give the Lord all the praise and glory for this.

**I BELIEVE THE EXPOSITOR'S STUDY BIBLE IS AT LEAST ONE OF THE GREATEST DEFENSES AGAINST FALSE DOCTRINE THAT IS FLOODING THE CHURCH IN THESE LAST DAYS.**

The following is what I believe the Lord has instructed me to do:

- That you have your personal copy of **THE EXPOSITOR'S STUDY BIBLE**.
- That you do everything within your power, in other words, as the Lord enables you to do so, to place a copy of **THE EXPOSITOR'S STUDY BIBLE** into the hands of all of your relatives and friends, etc. It would be, we think, the greatest investment that you ever made in their hearts and lives.

Friend, to begin the New Year, we are making, we think, a tremendous offer. I would pray that you would take full advantage of it.

The Regular Edition lists for \$125 (\$138 Canada). The Giant Print for \$100 (\$110 Canada), and the Loose-leaf Edition for \$100 (\$110 Canada).

**WE HAVE REDUCED THE PRICE ON ALL THREE TO JUST \$75 (\$83 CANADA) PER COPY, AND WE PAY ALL SHIPPING, HANDLING, AND POSTAGE.**

However, the following is what makes this offer so attractive:

If you buy any one of the Editions listed above, which will be \$75 (\$83 Canada) per copy, you may choose any Commentary that we have, even the new one, Numbers — Deuteronomy,

at no extra charge. In other words, you are getting the Commentary absolutely free. You are getting both the Bible and the Commentary for just \$75 (\$83 Canada).

Do you realize, friend, that you are getting, counting shipping, a \$150 to \$175 (\$165 to \$193 Canada) package for just \$75 (\$83 Canada)?

I would pray that you would get several sets. In fact, this will be an excellent opportunity for you to get any number of Bibles for your friends and loved ones and, as well, to get some of the Commentaries which you do not presently have.

I would pray that you would take full advantage of this most excellent offer.

Or, for your gift of \$75 (\$83 Canada) you may receive the following eight Music CD's:

- Somewhere Listenin'
- Christ Is My Everything
- Jesus Be Jesus In Me
- How Wonderful Your Name
- I'll Never Be Lonely Again
- More About Jesus
- Memories
- Lord I Just Want to Thank You

Whether you choose the Bible and Commentary, or the Music CD's, the important thing is that we hear from you. I can't stress to you the importance of hearing from you each month. Your monthly support of this Ministry is what enables us to continue the Calling of God upon this Ministry. So please, do your best. Again, Happy New Year!

In the Master's service, yours

Jimmy Swaggart
