

DECEMBER 19, 2014

Choice Christian Greetings.

As you hold this letter in your hands, in just a few days, a new year will roll around. I'm praying that this will be the greatest year yet for you, and I'm praying that it will be the greatest year for this ministry. I speak of souls being saved and lives being changed, which can only be done by the Lord Jesus Christ.

Due to your help, more than 2 billion people around the world can tune in to SonLife Broadcasting Network if they so desire. I speak of television stations, the cables, the satellites, the Internet, etc. I thank God for everyone who hears the Gospel by the means of this effort. Truly, the Gospel of Jesus Christ and Him crucified is the greatest story ever told.

This month, as we start out the new year, I'm going to ask you for your help respecting all the expenses we have, other than the cost of television airtime. I'm speaking of the payroll for more than 300 people who make all of this possible at this ministry. I speak of the utilities, the purchase of equipment that we have to have from time to time, the maintenance of the equipment, and everything for that matter.

For each and every one of you who can give \$100 or more toward these expenses — which go on from month to month, even day to day — as our gift to you, I want to send you the CD/DVD combo, *He Looked Beyond My Faults and Saw My Need*.

As I sang this song Sunday morning some weeks ago, and many of you remember it, the Spirit of God fell like rain in the auditorium. Actually, Donnie did not really get to preach the message he had intended, for the Lord led in another direction. This I guarantee: This combo will greatly bless you. As well, this combo is brand-new, as should be obvious, and has never before been offered.

The other day, while taping our program, *A Study In The Word*, I began to exhort the people not to think lightly of what the Lord is now doing. When I began to speak in that vein, the Spirit of God came down in the studio. I believe, ladies and gentlemen, that what is now happening, and what is going to happen in the very near future, is going to be one of the greatest moves of God — at least as it regards souls being saved and lives being changed — that this planet has ever seen. I thank God a million times over that I am privileged to have a small part in this. I want you to thank the Lord in the same manner. What an honor it is for us to be able to touch this world for Christ.

I desire your prayers, and to be sure, we are praying for you who help make it all possible.

In the Master's Service, yours,

Jimmy Swaggart

P.S. My word for you this month is, *"For He shall give His angels charge over you, to keep you in all your ways"* (Ps. 91:11).
