

Choice Christian greetings.

God has called us to preach the gospel all over the world, and that's what we are doing, but only with your help.

I am told by our computer department that we now reach some 2 billion people all over the world, and no I'm not saying that's how many people are watching the programming, but what I am saying is that many people could watch the programming if they desire to do so.

I feel like Simon Peter must have felt after seeing the vision, just before taking the gospel to a Gentile by the name of Cornelius. It was one of the greatest moments in human history. I know with all of my heart that God has called us to do the same thing. In other words, there are hungry hearts all over the world, thirsty souls who want the Lord but don't really know how to have Him come into their hearts and lives. God has called us to do that—to take the gospel to the entirety of the world. Yes, it is a monumental task, but it's what God has called us to do, which by His help and grace, we will do.

As I've said any number of times, we only ask of you one offering a month. And yet, I'm so thankful for those of you who, at times, give two offerings a month. But irrespective, a far greater number give once a month. And what will that go for this month?

First of all, we thank you for what you gave us in the last share-a-thon. But yet we had:

- A shortfall of well over a million dollars. We have the overhead, which our efforts on the share-a-thon do not cover. I speak of the payroll for over 300 people who work at the ministry. I speak of utilities, and I speak of equipment that we have to buy, etc.
- And then having mentioned equipment, I wrote a check just a few days ago for \$375,000, for the half payment—actually a little less than half—of the payout system that we have to have. As we have said any number of times, to reach the whole world is not a simple task. That's why we have to have this system. So, I think it would be obvious that I need your help.

For each of you who can give \$100 dollars or more to help us with what we've just mentioned, I want to give you a copy of our newest CD, *Instrumental Live*. It's the music that we play immediately before each service on Sunday mornings. So many people have asked for this, and I'll promise you this—it is good, and you will be blessed.

One last thing: Would you make this a matter of prayer as to what you ought to do? It's very, very important, and I know that God will give you His answer, and as well, that you will be blessed.

Again, thank you so very, very much for your prayerful support and your financial support.

In the Master's service, yours,
