

Choice Christian greetings:

Thank you so very, very much for being a part of what God is doing all over the world as it regards the Message of the Cross. Just the other day, Frances shared with me an email that came in from Libya. I won't share the name, for obvious reasons, but this dear soul wrote:

*"I always watch your program in the comfort of my home. I do not go to church because of the country that I live in. I am from Libya. But the greatest gift God gave to me this year is being able to watch the SonLife Broadcasting services every day and your music sessions, but there's one thing that always makes me cry when you say it—when you say the sinner's prayer. I cry anytime you say it, and you say we should say it, and I say it right along with you, and I know how I feel after I repeat that sinner's prayer."*

How we thank God for this, and all the way from Libya where they're not supposed to be getting the gospel, but yet they are—in a country that is nearly 100 percent Muslim, people are tuning in to SonLife Broadcasting and hearing the truth of God's Word.

This is why we cannot fall short each month in our efforts to finance the gospel getting to Libya or any other country that God has called us to reach. And He has called us to reach them all. Although the news media little reports it, thousands of Christians in other countries are being persecuted and hundreds killed for

their faith in Christ. And yet the emails and letters we receive from these far off places let us know that they are comforted and strengthened by the music and message of SBN.

Some of you understand the urgency of our mission, which is the Great Commission. You make it a point to pray for us every day and send us a financial gift every month. And, as I've said again and again, you are the backbone of this ministry, and we could not do what we do without your help. We thank God for your faithfulness. It means more to us than I can express.

But the truth is, we need more of you who watch SonLife Broadcasting and receive from the Lord through this ministry to help us. Growing up, I often heard the phrase, "Many hands make light work," and that holds true for the work of God. We need more hands to help us reach the hearts and minds of those who are lost and without God.

How so much we thank the Lord for the letters that we receive, like the one you have just read, from countries that do not normally allow the gospel of Jesus Christ. We are receiving more of these letters than ever before, but, at the same time, not nearly enough. We must do more. Regrettably, our shortfall was larger last month than it ever has been—\$1.8 million dollars, in round numbers. So we need help for that, desperately so, plus the overhead costs, etc. I'm asking you, please, to ask the Lord what He would have you do, and, whatever it is, we will so very much appreciate it.

For those of you who can give \$100 or more, I want to give you a copy of the brand-new CD/DVD combo by Gabriel titled, *For I Am The Lord That Healeth Thee*. I believe this is one of the most powerful messages on healing that you will ever hear, in addition to some of the finest music in the world.

Our prayers are with you on a daily basis, and I certainly solicit your prayers on our behalf as well. Thank you so much for reading this letter, and for doing what the Lord wants you to do, whatever that might be.

In the Master's service, yours,

My word for you this month is, "*And they who know Your name will put their trust in You: for You, Lord, have not forsaken them who seek You*" (Ps. 9:10).
