

Choice Christian greetings:

How honored we are to come into your country, your town, your city, your village, your house, your heart, and your life with the greatest story ever told—Jesus Christ and Him crucified. Hallelujah to the Lamb.

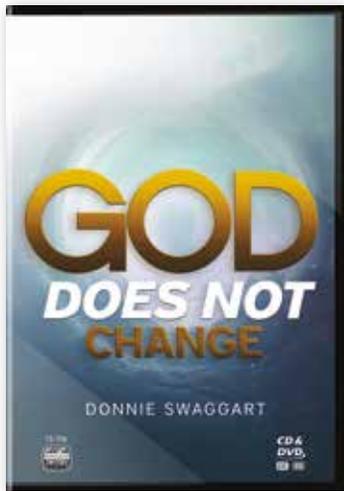

Preaching of the gospel—that’s one thing you get here at the SonLife Broadcasting Network—you get the preaching of the Word. Most of you know that, and I would hope that all of you know that.

You also know that the focus of this ministry is world evangelism, and your prayers and financial support help us carry the Message of the Cross into just about every country in Central America, South America, Europe, Asia, Africa, the Far East, and the Middle East, where Christian persecution is very real and very dangerous. Even so, people from these places still write in to share what the Lord is doing in their lives, like this dear brother:

*“Good day to you all, I just want to say SBN has been such a blessing to me. I work in Saudi Arabia and somehow I have access to this channel when none of my friends tried and couldn’t [sic]. It’s the belief in Jesus that keeps me going. I have experienced a lot of family problems, but Jesus has seen me through it; He’s my miracle worker. Working in Saudi Arabia, I have grown closer to Jesus. I’m so inspired by the Jimmy Swaggart Ministries—keep it up. It’s so ironic you find Jesus in an Islamic country. I have so many testimonies.”*

Praise God. Today, more than 2 billion people around the world can tune in to SBN, if they so desire, by way of television stations, cables, satellites, and the Internet, and I thank God for everyone who hears the gospel by any of these means. However, the cost of airtime alone is currently \$5 million per month, and last month we fell short by about \$1.6 million during our August share-a-thon.

So, I think it's understandable that we need your help. As a gesture of gratitude, for a gift of \$100 or more, I want to send you a copy of the CD/DVD combo, *God Does Not Change*. Donnie did an excellent job on this message, and it will be a tremendous blessing to you, as will the music—that I guarantee.

I would urge you, as many of you already do, if SonLife Broadcasting is a blessing to you, if it's been a help to you—to help you understand the Word of God to a greater degree, help you worship the Lord to a greater degree, and to draw closer to Him—well then set aside a little something each month, according to what you think the Lord would have you do, and that would help us immeasurably.

Please understand, the Lord has told me to go through every door that He opens, and that's exactly what we are attempting to do. We have the message, of that I am certain, and of course I speak of the Message of the Cross. It is not a mere part of the gospel, but it is *the* gospel (I Cor. 1:17).

We very much need this help, as I think would be obvious, and I'm asking you to please make it a matter of prayer and do the best you can. We look forward to hearing from you, and may the richest blessings of the Lord ever rest upon you.

In the Master's service, yours,

Jimmy Swaggart

My word for you this month is, *"Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?"* (Mat. 6:25).
