

Choice Christian Greetings:

*“How then shall they call on Him in whom they have not believed? and how shall they believe in Him of whom they have not heard? and how shall they hear without a preacher?”* (Rom. 10:14). That is the reason we labor day and night to take this gospel to the world.

World evangelism is my calling. I live it, breathe it, and seek to carry it out with every fiber of my being. As well, that is the reason for the SonLife Broadcasting Network, which is being aired all over the world, 24 hours a day, seven days a week. We feel that we have the message, which is the Message of the Cross.

Something happened the other day at the conclusion of one of our programs, *The Message of the Cross*. It was only a few minutes before time would run out when the Spirit of God began to move, and began to move greatly. This happens oftentimes, for which we are so grateful.

I then gave an opportunity for people to accept Christ, and hopefully we had some saved as a result of the moving of the Holy Spirit in this capacity.

When the program ended, the Lord spoke something to my heart. He said, “Wherever this signal goes in the world, My Spirit will go with it, resulting in souls being saved, believers being baptized with the Holy Spirit, the sick being healed, and bondages broken—all by My Spirit.”

I believe the Lord was telling me that He was going to move to such an extent—move with a mighty anointing of the Spirit by and large greater than anything we have ever seen—that it is going to result in untold numbers being brought to a saving knowledge of Jesus Christ, and also with many being baptized with the Holy Spirit.

As I've mentioned before, I don't really see a revival coming to the church world. I pray I'm wrong, but I don't see it. However, I do see a harvest of souls, which can be brought about by the Spirit and power of God moving over television. There is no limit to what God can do. And I believe He's going to use this particular technology to reach this world for Christ.

That's the reason that every hour on television is precious. It must not be wasted. Every effort must be that the Lord will move and have His way in order that souls may be saved and lives may be changed. Only God can do this, and only the Holy Spirit in the name of Jesus can bring it to pass. But again, I want to thank you for your prayerful support, and your financial support without which we simply would be very limited as to what we can do for our Lord and Savior.

For a gift of \$100, I will send you the CD, *Jesus, Just The Mention Of Your Name*. You will be blessed to overflowing—that I guarantee.

I am imploring each of you who know how to pray, who really are intercessors before the Lord to pray for us on a daily basis. I know many of you already do, and how much I thank you for that. But again, I'm urging all to whom God has given the ministry of intercession that you hold me up, personally, plus the entirety of this network. For that I will thank you with all that I have within me.

In the Master's service, yours,
