

Choice Christian greetings:

I can still see it, in my mind's eye, where I was when the Spirit of God spoke and moved upon my heart as a child, ten years of age. I dreamed I was standing out in front of our house up in northeast Louisiana. I looked to my right, and there was a replica of a globe, of Planet Earth. It was about the size of a basketball, suspended about ten feet high in the air. It was turning slowly enough that I could make out the individual continents. Suddenly, there was a figure like a man standing below this globe, and somehow I knew it was Satan, but I had no fear of him. He just stood there looking up at that globe as it slowly turned. Then Satan turned, looked at me, and said, "You will not do it. I will stop you." I didn't say anything because I didn't understand the reason for what I was seeing. Satan turned his attention back to the planet. Then, just as before, he turned to look at me again and said the same identical words: "You will not do it. I will stop you." Then the dream ended.

Since then, Satan has done everything within his power to do what he said he would, but he has not succeeded. And, by the grace of God, he will not succeed. I'm believing that the Lord is going to give us one more push to touch this world for Christ. I believe that's the reason He has raised up SonLife Broadcasting Network and put us on all over the world.

Understand, the unsaved person has a shell around him; you can't see it, but it's there. And you can't get through that shell with money, education, or science—none of those things will crack it because it's

hardened by the powers of darkness. But the Holy Spirit can soften and break through that shell and bring conviction to the heart so that soul can be saved. But only the Holy Spirit can do it, nothing else can, only the Spirit of God.

Consequently, I am asking you to pray for us daily that the moving and operation of the Holy Spirit will become more and more paramount in the programming on SBN that goes out to a great part of the world. The mighty anointing of the Holy Spirit, the convicting power of the Spirit—that's what we must have. I thank the Lord with every iota of strength I have for what the Lord has given us respecting the anointing of the Holy Spirit. What we have seen in the past and what we are seeing now is phenomenal, but there must be a greater move.

I want you to believe God with us in this respect, that the Lord will do this thing, and that we will be pliable in His hands; that we will furnish Him a vessel that He can use to get this job done for all of us—not for just me—but for all of us.

Along with your prayers, your gift of \$100 or more would be a great help to the work of God. If that's something you can do, then I would like to send you in return a copy of our CD, *Somewhere Listenin'*.

The songs included are:
