

Choice Christian greetings:

The older that I get, and the more that I live for God, I realize day by day that the gospel of Jesus Christ is the single most important thing on the face of the earth. In fact, there is nothing even a close second.

Our Lord said, *“Go ye into all the world, and preach the Gospel to every creature”* (Mark 16:15). When Jesus said *“All the world”* He meant all the world. That is our business, the taking of the gospel of Jesus Christ to the entirety of the world.

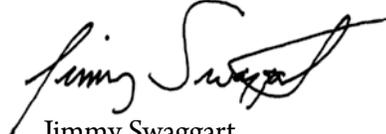

Yet, as I have said to you many times, I cannot do it without your prayerful and financial support. So, for me to say thank you, for the help that you have given us in the past and continue to give us, is not some trite response, but it is so very, very important. Let me say it again: I cannot do this without you! I thank the Lord that giving has increased a little bit in the past few months. We give the Lord all the praise and glory for that. Yet, we still have a shortfall of nearly \$2 million.

For every one who can give \$100 or more (and we ask you to pray about this), I want to send as my gift to you our CD, *Live From Nashville, Jimmy Swaggart*. It has 26 songs on it. Yes, I said 26 songs. I think it will be a great blessing to you.

Thank you again for your help and may the Lord richly, richly bless you.

In the Master's service, yours,

Jimmy Swaggart

P.S. My word for you this month is, *"Honor the LORD with thy substance, and with the firstfruits of all thine increase: So shall thy barns be filled with plenty, and thy presses shall burst out with new wine"* (Prov. 3:9-10).

---

## SonLife Broadcasting Network Celebrates Ten Years

THIS YEAR WE CELEBRATE the tenth anniversary of the SonLife Broadcasting Network (SBN). Owned and operated by Jimmy Swaggart Ministries since 2010, SBN is a Christian multi-media network which includes television, radio, and Internet broadcasts. The network currently reaches nearly 300 million television households worldwide. We are on the air 24 hours a day, offering a variety of live and prerecorded programs that bring the gospel message to a growing audience of all generations and backgrounds.

All programming originates from the ministers, singers, and musicians associated with JSM. Since SBN does not sell program or commercial time to any other ministries, organizations, or groups, its original content is exclusive to SBN viewers. Programming includes live services from Family Worship Center, *The Message of the Cross*, *Frances & Friends*, *A Study in the Word*, and the *Jimmy Swaggart Telecast*, which has aired consistently since 1975, and was once translated into 15 different languages. Today, SBN is available on DirecTV (channel 344), Dish (channel 257), Verizon (channel 297), AT&T (channel 580), Mediacom (channel 215), Spectrum (check local listings), as well as additional cable networks around the world.
