Choice greetings.

As some of you know, Frances' birthday is August 9. No, I'm not going to relate her age, that is, if I want to keep on living. There are two things that you don't address as it regards the feminine gender, and that is weight and age. At any rate, the following is the purpose of this letter:

I feel that Frances is one of the most influential people in the world today. I say that because of her telecast *Frances & Friends*. She has the largest audience of any of our programming over SonLife television. Her program, each and every day, goes out to a great part of this world, and the Lord is using it mightily, for which we give Him all the praise and all the glory.

She tackles about every subject that you can imagine. With the panel that she has on a regular basis, and they do an excellent job, she addresses that which the church needs desperately to know.

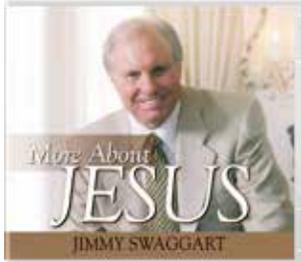

Basically she gets up every morning when I get up, which is about 4:30 a.m. She prepares both morning and night for her program.

While Donnie is a great help to her, as well as the entirety of the panel, still, it is her guiding hand that lends the touch that gives that program the authority that it has.

To celebrate her birthday, I'm asking your help as it regards the previous shortfall that we had of some \$1.6 million. How so very grateful we are for the help that you did give, which was substantial, but at the

same time, we still have this shortfall plus the overhead. I'm going to ask you to pray about what you should do as it regards this need. And I'm asking, as I have already stated, that you do so to celebrate Frances' birthday. I know the Lord will bless you abundantly for this.

For each of you who can give \$100 or more as it regards this need, I want to give you a copy of our CD *More About Jesus*. I promise you that it will bless you.

The songs on the CD are:

- More About Jesus
- Come Unto Me
- There Is A River Of Life
- When I See The Blood
- What A Friend We Have In Jesus
- I Must Tell Jesus
- Oh Say But I'm Glad
- Royal Telephone
- Jesus Saves
- Haven Of Rest

Can I depend on you to seek the Lord about this matter? I believe I can!

In the Master's service, yours,

Jimmy Swaggart

P.S. My word for you this month is: *"But to this man will I look, even to him that is poor and of a contrite spirit, and trembleth at my word"* (Isa. 66:2).
