Choice Christian greetings.

While in our Saturday morning prayer meeting at the ministry, the Lord drew my attention to the following that I think will be of great interest to you:

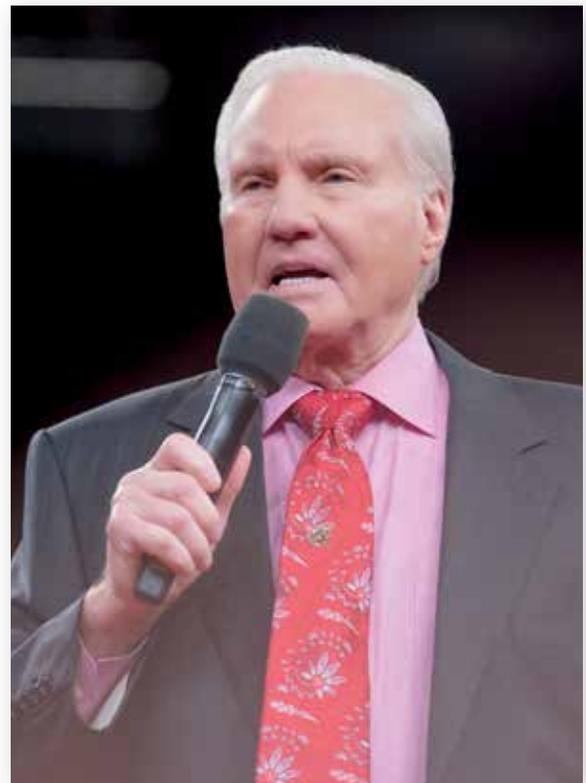

He took me to the story of Ruth, the Moabitess, who had left her family, her home, and in fact, everything, in order to serve the God of Naomi.

When Ruth and Naomi arrived in Bethlehem, they were destitute. So Naomi instructed Ruth to go to where some of the farmers were reaping, and she told her how to gather some grain that they might have something to eat.

Ruth was not told to go to any certain place, but where she went was the field that belonged to Boaz, who was a kinsman of Naomi. Of course, Ruth did not know any of this. Actually, her coming upon this field was her being led by the Holy Spirit, even though she, no doubt, did not know that at the time.

Boaz asked the question regarding who this young lady was, for he was a single man. He was told that this was the young lady who had come back from the land of Moab with Naomi. He instantly knew who she was because she was the talk of the little town of Bethlehem—how that she was doing all she could to help Naomi.

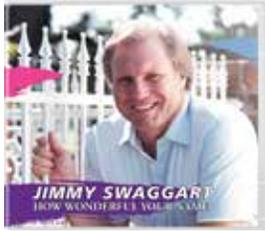

That night when she arrived home, Naomi asked her where she had reaped, and Ruth told her that it was at the field of Boaz. When she went back the next morning, Boaz told the reapers, *“Let fall also some of the handfuls of purpose for her”* (Ruth 2:16).

While I was in prayer, the Holy Spirit brought all of this to my memory, and then He told me to pray for you, that the Lord would **leave handfuls on purpose for you.**

The Lord impressed this upon me very strongly, and I believe the Lord is going to do exactly that for each and every one of you who stand with this work.

For every one of you who can give \$100 or more, I want to give to you a copy of one of our CDs, *How Wonderful Your Name*. I promise that it will bless you.

The song titles for the CD are:

- How Wonderful Your Name
- A Dancing Heart
- The Waters Are Troubled
- Love Held My Saviour
- The Cross Is Not Greater
- We Are Heirs
- Each Step Of The Way
- Through The Blood Into Your Presence

But above all, I want the Holy Spirit to do for you exactly as I believe the Lord has impressed upon my heart. That is for Him to leave handfuls on purpose. What does that mean?

It means that whatever you need, the Lord will supply, and you will find that He will do exactly that—leave handfuls on purpose for you.

Please pray about this and let the Lord lead you and guide you.

Incidentally, we had approximately a \$1.6 million shortfall in this last Share-a-thon. Of course, as always, we also have the overhead. So, as stated, pray about this and let the Lord lead you.

In the Master's service, yours,
