Choice Christian greetings.

What I want to give to you is, I believe, a word from the Lord.

Last Saturday morning (as I write this), I was watching the telecast, *The Message of the Cross*.

It came down to the end of the program, and I could sense, as I watched it, that I was going to pray for people to be saved. We had run out of time, so I asked our control room team if I could take a couple of more minutes. They told me it would be no problem.

I then turned to the camera, as I watched it on the screen, and began to talk to our viewers, telling them that I was about to pray the sinner's prayer, and if they needed the Lord, this was their time to be saved.

The Spirit of the Lord had been prevalent in the program, but it was not something that was as strong as I would have liked for it to have been.

And yet, when I started to pray, asking those who wanted to be saved to pray with me, as you have heard me do time and again, all of a sudden the presence of the Lord literally enveloped me. I sat there with tears rolling down my face, and it was so startling in that it happened immediately.

I value the Spirit of God greatly. I know whenever the Lord begins to move as He did that Saturday morning, something is about to happen.

This is what I believe the Lord was telling me:

- We are about to see a harvest of souls as we have never seen before.
- Each one of you is a part of this which the Lord is going to do.
- This harvest of souls is going to be one of, if not *the* greatest harvest the world has ever known before.

I thank God that He is going to allow me to play a part in this, and that He is going to allow *you* to play a part in this as well.

Jesus Christ is the Lord of the harvest, and He has called me, and He has called you to gather this harvest. Never forget your part in it, because God has laid His hand on your life as well.

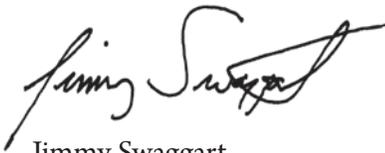

It will be Christmas in a few days, and I am asking you to give a Christmas gift to the Lord, according to His blessings upon you this past year. In the last share-a-thon, we took a shortfall of not too much short of \$2 million.

For several years now, we've assembled our campmeeting services into DVD box sets. For each of you who could give \$100 or more, I want to give you one of these packages—it will be a selection of the ministry's choice. Each boxed set consists of several DVDs, containing all of the worship services from an entire campmeeting event. I promise you it will be some of the finest preaching, music, worship, and praise that you have ever experienced before. It will be like bringing campmeeting into your home.

As I have stated, this is Christmas, and I would ask you to pray about what you can do, and let the Lord lead you.

Thank you again for the help you have given us this year. It has meant, and does mean, so very, very much. Actually, this is for the entirety of the world, and thank God for the many who, this time last year did not know the Lord, but now they do know Him.

In the Master's service, yours,

Jimmy Swaggart

My word for you this month is, "*Oh that men would praise the LORD...*" (Ps. 107:31).

CELEBRATING TEN YEARS.
