Choice Christian greetings.

As many of you know, my birthday is March 15, at which time I will be the ripe age of eighty-six. I thank God that I have excellent health and have never felt better. I give the Lord the praise and the glory for that. Actually, I am asking Him for at least another ten years to finish this course of world evangelism.

The last share-a-thon was the best we have ever had, and how thankful we are for that. But yet, we still had approximately a million dollar shortfall, which has to be made up.

For each of you who can give \$186, I want to give you a copy of our CD, *Memories*. It is one of the best, I think, that we have ever made. I think it will bless you as well. The songs are listed at the bottom of the letter.

What I am about to say I have said several times in the last three or four months, because it is so very, very important.

With this work I consider each of you to be a missionary the same as I am. The Lord has placed you in the position you now occupy. You may not understand it all, and then you might, but it is tremendously important. In fact, there's nothing in the world more important.

Think about it, God has given you the privilege and the opportunity of being a part of world evangelism, touching more than one hundred countries of the world, and participating in that which is the single most important thing in the world. In fact, there's nothing that can even remotely equal that of which I speak.

We are seeing more results today from the television programming than we ever have before. We're having people call and say, "Brother Swaggart, I want you to pray the sinner's prayer with me." There's getting to be more and more for which we are so grateful.

That's why television is so very important—it can go right in the home, the heart, and the life of the individual. And with Holy Spirit conviction touching their hearts, many will give their hearts to Christ. And that's what we do—win souls.

And yet, your participation, your involvement is so very, very important, in every capacity.

Once again, thank you for your help and please pray about what the Lord would want you to do as it regards this appeal. I thank you.

In the Master's service, yours,

Jimmy Swaggart

The word I have for you this month is: *"Behold I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert"* (Isa. 43:19).
