Choice Christian greetings.

Is the gospel of Jesus Christ the single most important thing on the face of the earth? I will answer that question immediately: Without a doubt, the gospel of Jesus Christ is the single most important thing on the face of the earth, hands down. In other words, there is nothing that even comes close.

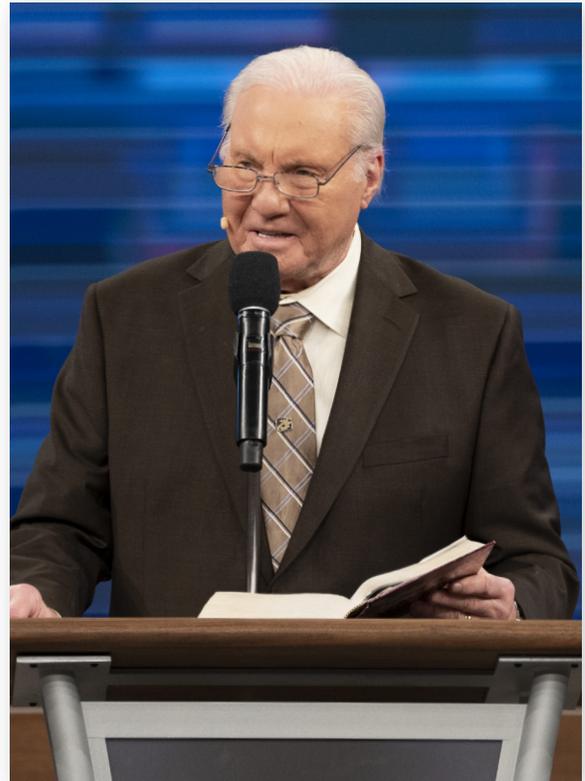

I could give you many, many reasons as to why this is, but one will suffice: There is a place called hell. Unfortunately, the far greater majority of the human race, even from the dawn of time, has gone to this place called hell. It's a place of weeping, wailing, and gnashing of teeth. And the most

horrible part about it is that it is eternal. In other words, those in hell today, and those who will be there tomorrow or one trillion years from today, will still be there with the weeping and the wailing.

There is a way that a person need not go to this place. **It is by accepting Jesus Christ as one's personal Savior.** That's why the gospel of Jesus Christ is the single most important thing in the world. It's the only way a person can escape the horror of going to this place.

The ministry and mission of our efforts for the cause of Christ is that individuals may be saved. If you will notice, on many of our programs over television, we give the invitation for people to pray with us to be saved. And I thank God that that number is increasing almost daily.

Let me say it again: The only way to escape the horrors of hell is by accepting Jesus Christ as one's personal Savior. There is no other way.

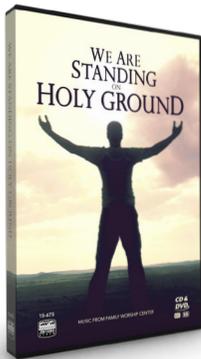

The Scripture says: *“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life”* (John 3:16).

That is the mission of this ministry. That is our effort, twenty-four hours a day, seven days a week. But we simply cannot do it without you.

And how thankful I am for the thousands of you who are so faithful each and every month with your prayerful support and your financial support. May God richly bless you.

I thank the Lord that the giving has increased. But even though it is better, we are still experiencing a shortfall each and every month. For those of you who can give \$100 or more, I want to give you a copy of the CD/DVD combo, *We Are Standing On Holy Ground*. It will be a blessing to you, that I guarantee. You can play this in your car or at home, and you will want to play it again and again.
