

JIMMY SWAGGART MINISTRIES

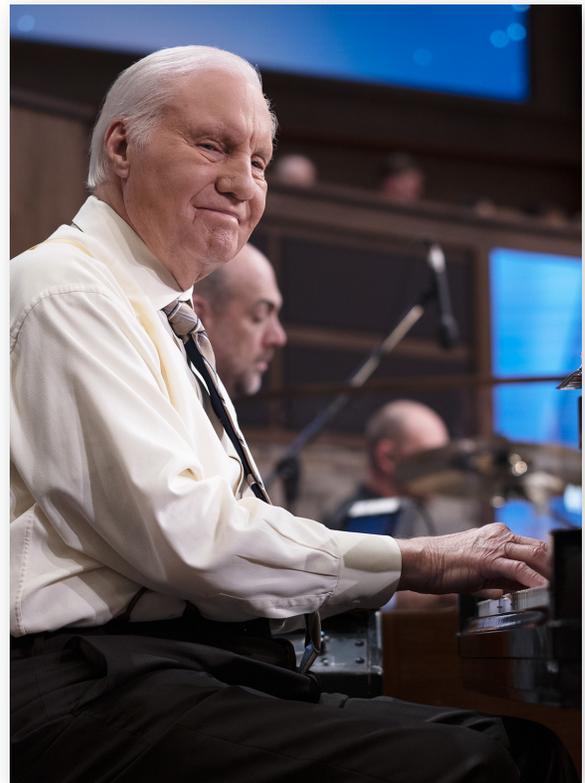

August 24, 2021

Choice Christian greetings.

First of all, allow me to thank you for your prayerful and financial support. We could not do what God has called us to do without help from you and scores of others like you.

Sometime back, I was to preach one of the campmeeting services at Family Worship Center. That night, I stepped behind the pulpit, told the people to open their Bibles to I Kings 18:41, and read the text: *“And Elijah said unto Ahab, Get thee up, eat and drink; for there is a sound of abundance of rain.”*

When I read that Scripture, the Spirit of God fell like rain in the auditorium. In fact, I could not proceed for a short period of time as the Lord moved upon my heart.

It happened the same way last Sunday morning when Gabriel quoted this particular text. Again, the Spirit of God fell in the auditorium.

When Elijah first used this phrase, Israel was in terrible spiritual condition. It had not rained in three and a half years. In fact, the drought was indicative of the spiritual condition of the people and the nation as a whole. There was not a green blade of grass to be seen; all had been burned to a crisp. There wasn't a green leaf on a tree. The place was dying, and as stated, was indicative of the spiritual condition of the whole of Israel. I'm afraid it is indicative of the same today.

But I believe the spiritual rain is coming; something that neither this nation nor the world has ever seen before. I believe the Lord has spoken this to my heart: *“There is a sound of abundance of rain.”* That is exactly what happened in Israel so long ago, and that is exactly what is going to happen very shortly in this country and around the world.

I CAN HEAR THE SOUND OF AN ABUNDANCE OF RAIN!

I believe that Family Worship Center and the SonLife Broadcasting Network is going to be a great part of this, which God is going to do. Our business is souls. Our business is preaching (proclaiming) the gospel, and teaching (explaining) the gospel. I am certain that most of you, if not all, have witnessed us leading people to Christ and praying the salvation prayer with them over television. This is going to increase, I believe, to such an extent that the phone lines are going to be jammed with people wanting to be saved.

A few months ago, the Lord laid this burden on my heart, to pray for people to be saved over the television programming. From then until now, the number of people calling and wanting us to pray with them to give their hearts to Christ is increasing almost daily.

Now here's what I'm asking you to do: I'm asking you to pray with us that Holy Spirit conviction will rest upon hearts and lives all over the world simply because our programming goes all over the world. When Holy Spirit conviction grips the heart of an individual, if there is an opportunity to be saved, that person will accept Christ at that very same time. Not only that, but the Lord has told me He is also going to fill thousands with the Holy Spirit. We will lead them into this great experience just as we do salvation.

And I want you to understand, every soul that is saved through the television programming, every believer who is baptized with the Holy Spirit—you have a part in that. Never forget that. Never take it lightly. You have a part in it, and it is a great part. So pray with us that we will have a great anointing of the Holy Spirit on our efforts, and that there will also be tremendous convicting power of the Holy Spirit all over the world.

The Lord has told me, "Everywhere the television signal goes, My Spirit will go with it." I believe that; it is already happening.

As I dictate these notes, our last share-a-thon was, I think, the largest and best we've ever had. We thank you for that, and, above all, we thank the Lord. Yet, we still experienced a shortfall of approximately \$800,000. We need your help to make that up. As well, we have to have help for the overhead, which refers to the operation of the ministry other than the airtime. As all of you know, the money that we receive in the share-a-thons goes strictly for airtime, but that still leaves the operation costs of the ministry each month. We depend on the Lord for that to come in and take care of those expenses.

I am asking you to pray about it, and for every one of you who can give \$100 or more, I want to give you a copy of the CD/DVD, *A Sunday Morning Worship Experience*. This is music anointed by the Holy Spirit, and it will bless your heart, that I guarantee.

Thank you again for hearing me out and thank you for your participation. We appreciate your help more than words can say.

In the Master's service, yours,

Jimmy Swaggart

My word for you this month is, "Get thee up, eat and drink; for there is a sound of abundance of rain" (I Ki. 18:41).
