

JIMMY SWAGGART MINISTRIES

October 22, 2021

Choice Christian greetings

What can we say is the worth of a soul? That's an interesting question, but the Lord Himself gave us the answer. He said, "For what shall it profit a man, if he shall gain the whole world, and lose his own soul!" (Mark 8:36). That's how valuable a soul is.

God has called this ministry (Jimmy Swaggart Ministries) to bring souls to Christ. That's what we live and breathe on a constant basis. That's why we stop, on every program as the Spirit of God begins to move, and we invite people to come to Christ by praying the sinner's prayer with us. I think that every one of you have heard us do this, and it is the joy of my heart whenever people write or call and tell us that they have prayed with us and given their hearts to Christ. Nothing in the world is greater than that.

The amazing and beautiful thing about television is that it goes all over the world, and I mean literally all over the world. Whether by cables or by satellites, irrespective, the opportunity is there for people to get the programming, if they desire to do so. And thank the Lord, we get calls even from hardcore Muslim countries—people from these countries call or write us, even at the risk of their lives.

So, in this letter, I'm going to ask you for two things.

First, and the most important, I want you to pray for us, and on a constant basis, that we will have the anointing of the Holy Spirit as never before, to reach souls for Christ. This is imperative, and I continue to speak of the anointing of the Spirit of God. As well, I want you to pray that there will be constant Holy Spirit conviction that will go all over the world and, whenever we do pray for people to be saved, that people will join us from all over the world. Ladies and

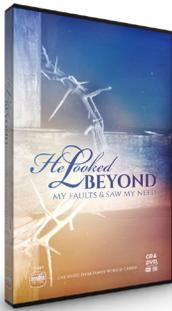

gentlemen, I believe that we are on the threshold of the greatest move of God, relative to people being saved, than we have ever seen or experienced in our history. I believe it is going to be a harvest of souls unparalleled.

Second—and please read this carefully—I need your financial help, as usual. We thank you so very, very much for what you have done, and for what you are doing.

Last month, we had the best share-a-thon that we have ever had, for which I praise the Lord more than I have words to complement what I'm saying. Thank you, thank you, thank you!

While it was the best, still, we had a \$400,000 shortfall. Of course, we have to make that up, and I know that we shall.

For those of you who can give \$100 or more, I want to give you a copy of the CD/DVD combo, *He Looked Beyond My Faults and Saw My Need*. As I sang this song that morning at Family Worship Center, the Spirit of God fell like rain. It was over half an hour of the moving of the Holy Spirit, and I think it will affect you the same way it did those in that service. I take great joy in offering this to you, because I know how the Spirit of God moved in a mighty way, and it will bless your soul as well.

Featuring:

Better yet, make this a matter of prayer and ask the Lord what He would want you to do. I know He will answer, and I know that you will obey.

Again, thank you so very, very much for the help that you give us, both prayerfully and financially. It means everything, and above all, it translates into souls being saved, and nothing is greater than that.

In the Master's service, yours,

Jimmy Swaggart

My word for you this month is: *"But I will declare for ever; I will sing praises to the God of Jacob"* (Ps. 75:9).
